

*Office Memorandum* • UNITED STATES GOVERNMENT

TO : AD/SI

DATE: 20 April 1959

FROM : R. W. Komer *RWK/B73*

SUBJECT: OCB Papers on Space Problems

Pete, since OCB matters are handled by the DDP side of the house, I don't know whether your people are cut in on them or want to be. I think, however, that attached is of interest. If you like I will as DDI liaison with DDP's OCB people either (a) pass to you all such papers; (b) ask them to cut you in directly, or both.
